

# Abracabattle!

## THE HOOK

Abracabattle is a fast paced tableau-building wizard duel card game. Learn weird and wild magical spells, and use them to create ridiculously powerful combo chain reactions to battle and defeat your enemy!

Buy **MAGICAL SPELL CARDS**, and place them in your five spell slots

Roll two five-sided **DICE** to activate the spells in those slots, **ATTACKING, DEFENDING,** and **GAINING INCOME** to buy more spells

Focus on building powerful combos out of your cards, using the four elements of magic: **SNAKE, CRYSTAL, FEATHER,** and... **CHEESE!**
